Commissioner for Patents

The reply filed on February 27, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): In the written restriction requirement set forth in the Office action of January 19, 2006, applicant was required to elect an invention and elect a species for A. In response to this requirement, applicant elected group II but failed to elect a species for A. See paragraph 3 of the restriction requirement for an example of a proper election. It is also requested that applicant submit papers in potrait rather than landscape configuration.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
